

JUNE 2018 NEWSLETTER

Welcome to Term 6 at Townsend Barn Nursery. As is usual for this time of year it sees us extremely busy! We have lots of exciting things planned for the next 7 weeks so please make sure you keep an eye on your emails and letters so you don't miss out on any of the fun!

We would like to send huge congratulations to Miss Vicky and her husband Wayne. Mya Rose Edwards was born on Saturday morning weighing 7lb 6oz. Both mummy and baby are home and doing well. We can't wait to meet baby Mya soon!

As many of you will know we have also recruited Miss Layla, an apprentice from Wiltshire College, and later in the year Miss Megan joins the team. Miss Vicky plans to re-join us at the end of her maternity leave.

September 2018 – Just to remind everyone, if you will require extra hours or a change in hours in September, please let us know as soon as possible. We are becoming increasingly busy and places are limited (we do have waiting lists for some rooms until January and April 19) so would not want to let you down if you were thinking of increasing days or hours.

PLEASE NOTE: An information letter will be sent out next week to give more details regarding the annual increase in fees and more detailed information about our policy for offering either 15 or 30 hours of government funded childcare.

For those of that don't already, why not follow our nursery Facebook group? The nursery practitioners try and load photos most days so it is an ideal way to see what your child is learning while you are at work/home. As we now have such a successful 'closed group' it is proving even more popular. Please also note that due to our strict E- Safety Policy the practitioners are forbidden from accepting 'friend requests' from parents and carers. They are not being rude by not accepting and are able to accept after your child no longer attends TBN.

Parents Evening/Time – This year we have listened to parents opinions and tweaked how we offer parents time to meet with their child's key person. Barn Owl leavers will still have a set appointment day (if you can make it) on Wednesday 20th June between 5pm-7pm. (Please note this is a week later than originally stated). However the parents of all of the other rooms can ask their key person to agree a

mutually convenient time to meet for ten minutes should you wish to do so. Experience has shown us that not all parents want this set time, so we have reflected that a more flexible approach might be more convenient for you.

The Barn Owls who will be making the having a graduation party from Wednesday 18th July. Please keep an

transition to primary school will be Townsend Barn Nursery on eye out for your invitation next week.

Please remember our Sun Policy and apply sun cream to your child **before** they arrive at nursery. The practitioners will reapply sun cream again at lunchtime before the children go outside in the afternoon sun. To help you out sunscreen is provided in the garden should you forget in the morning.

This term Miss Abbie and Miss Mya will be updating their 12 hour paediatric first aid qualification. At Townsend Barn Nursery we are proud to maintain our achieved aim of having 100% of our nursery practitioners qualified in this crucial qualification - which as ever shows the outstanding practice we provide. Interestingly did you know the statutory requirement is to have ONE qualified practitioner in the whole building? Shocking when we care for such precious little ones!

IMPORTANT DATES FOR YOUR DIARY -
