

FUNDING

1

MAKING YOUR FUNDED HOURS WORK FOR YOU at Townsend Barn Nursery, we understand that every family needs childcare to work around their individual circumstances.

2

We are happy to offer Government funding in whichever way suits you. For year-round support you can opt for our 'stretched offer' which is based over 51 weeks; OR, if you are just wanting to attend during the term times (Wiltshire Council term dates), you can use your funding over a period of 38 weeks. This is often attractive for families with older siblings and long holidays to cover.

3

Our aim is to make your funded entitlement work as effectively as possible while continuing to provide the high-quality care, education, food, resources and experiences that children enjoy every day at Townsend Barn.

4

ASK US ABOUT YOUR FUNDING
We are happy to talk through your individual circumstances and explain how your funded hours can be arranged throughout the year. Please speak to our team to find out more.

TOWNSEND BARN NURSERY

Townsend Barn Nursery is located in the village of Poulshot, near Devizes. The Nursery provides high quality day care and education in a happy and relaxed atmosphere.

We care for children from 0-5 years, supporting them through their early years and helping them develop the confidence and independence they need as they prepare for school.

We are open all year round. We offer flexible childcare throughout the year, helping families find a suitable pattern that works for them.

ABOUT US

A HOME FROM HOME

Our nursery is housed in a beautiful 150-year-old converted dairy barn, creating a warm, welcoming and homely environment for children.

We want every child to feel safe, secure, valued and happy from the moment they arrive.

Our nursery is fully air-conditioned, helping us maintain a comfortable environment for the children whatever the weather.

LEARNING THROUGH PLAY

We follow the Early Years Foundation Stage (EYFS) while making learning exciting, meaningful and fun.

Children learn through a combination of:

- Child-led play and exploration
- Creative activities
- Stories, songs and music
- Imaginative play
- Early literacy and maths
- Physical activities
- Nature and outdoor exploration
- Special events and experiences

WORKING WITH FAMILIES

We believe parents and carers are an important part of a child's learning journey.

We work closely with families, keeping communication open and sharing children's experiences, progress and achievements.

ACTIVITIES

NATURE

Outdoor play is an important part of life at TBN, from exploring nature and woodland to getting muddy, investigating minibeasts and discovering the changing seasons.

HOME-COOKED FOOD

We provide healthy, nutritious, home-cooked food throughout the day, helping children develop positive attitudes towards food and mealtimes.

LEARNING THROUGH NATURE

Our beautiful rural setting is at the heart of what makes Townsend Barn special.

Children have the opportunity to explore our woodland garden, secret spaces and natural surroundings, including an undercover area, developing confidence, curiosity and a love of the world around them.

We believe some of the best learning happens when children are free to explore, investigate, get messy and have fun!

EXPERIENCED & CARING STAFF

Our dedicated team is committed to providing the highest standards of care and education.

We have experienced staff, including SENCO expertise, and our staff are trained in paediatric first aid. We continually develop our knowledge and skills so that we can provide the best possible experience for every child.
